ABOUT THE THEME

Personality development helps you develop an impressive personality and makes you stand apart from the rest. Personality development also plays an essential role in improving one's communication skills. Individuals ought to master the art of expressing their thoughts and feelings in the most desired way.

As per the latest regulations issued by AICTE, New Delhi dated 01/03/2019, the faculties applying for promotion after the date of publication of this gazette need to meet the necessary conditions such as additional qualification, undergoing industrial training, pedagogical training, faculty induction program, publishing research papers etc.
(Ref:AICTE.NOTIFICATION).

OBJECTIVE

At the end of the course, the participants will be able to:

The objective of the faculty development programme is to bring about personality development with regard to the different behavioral dimensions that have far-reaching significance in the direction of organizational effectiveness for teachers.

To prepare teachers to provide the directions for learning and developing their abilities to become more independent and effective learner, both in and outside the same in our classroom practice.

To prepare them for challenges in life and impart them soft skills.

As per MHRD guidelines it is mandatory for newly recruited faculty members in technical institutions to undergo an induction program after their

appointment in Higher Education Institutions

enhanced with the presence of a very huge water body – a source of rich floral and faunal diversity. Ultra modern infrastructure designed by eminent architects is the signature of its beauty. The tranquil ambience of the premises creates the ideal environment for serious study.

Stress is also being given on physical fitness of the students and for this the University has paid adequate attention on promotion of sports on campus. A huge, well-equipped, hi-tech gymnasium with indoor games facilities, viz. badminton, chess, carom, table tennis and outdoor games like football, hockey, cricket, lawn tennis, volleyball, horse riding etc. have been created. National and state level sport competitions are periodically organized by the University. Along with this a stadium with latest facilities is also underway on completion to promote sports with studies. The objective of the University is to mark excellence in its academic programs and sports. The University is committed to its social mission of making education possible to sons and daughters of persons of the down-trodden sections of the society and Muslim minority as well.
