### About the Mohammad Ali Jauhar University:

Mohammad Ali Jauhar University, Rampur was established in the year 2006 an Act of State Legislature of Uttar Pradesh. It is approximately 12 km from Rampur Railway Station. The University caters courses in various streams of Science, Humanities, Law, Education, Commerce, Management, Engineering & Technology, Paramedical Sciences including Nursing, Mass Communication and Agriculture and is almost prepare to start a Medical College named as Jauhar Institute of Medical Science (JIMS). The University campus is spread over more than 250 acres and has vast lush green, health sustaining and beautiful landscapes. The bio-aesthetics is further enhanced with the presence of a very huge water body a source of rich floral and faunal diversity. Ultra modern infrastructure designed by eminent architects is the signature of its beauty. The tranquil ambience of the premises creates the ideal environment for serious study.

Stress is also being given on physical fitness of the students and for this the University has paid adequate attention on promotion of sports on campus. Along with this a stadium with latest facilities is also underway on completion to promote sports with excellence in its academic programs and sports. The University is committed to its social mission of making education possible to sons and daughters of persons of the downtrodden section of the society and Muslim minority as well.

### **About the Swami Shukdevanand Post Graduate College:**

Swami Shukdevanand (PG)College is a prestigious college of Uttar Pradesh founded by H.H. Swami Shukdevanand Saraswati Ji Maharaj in 1964. College is operating 5 Faculties (Commerce & Management, Education, Art, Science & Computer Science) With more than 150 faculty members and above 4000 students. Other than these Indira Gandhi National Open University and Uttar Pradesh Rajrishi Tandon Open University study centre are also running in college campus. The NCC and NSS unit of the college have been doing commendable well in arousing the National Spirit as well as Social awareness among the youth of society.

Faculty of Commerce was established in 1985 with B.com Course. At present M.com, BBA ,B.com (Hons.) and B.com(Finance) courses are running in the Faculty. Faculty also operating Indira Gandhi Study centre, UG Diploma in E-commerce (Sponsored by UGC). More than 1000 students and 17 faculty members are working in the Faculty. Faculty of Commerce has been signed MOU with various foreign universities (Like – USA, Bhutan, Philippines, Nepal etc.).

### **About Indian Economic Association:**

IEA is a registered body of Indian Economics Professionals, established way back in 1917, with the objective of providing a forum for debate and discussion of theoretical and policy oriented issues of Economic Science. Thanks to the initiative taken by Charles Joseph Hamilton, then Minto Professor of Economics at Calcutta University, and a score of economists, mostly teachers, who met in Calcutta in December 1917 to deliberate on economics. IEA is the oldest Association in Social Sciences and perhaps second oldest in the country in any discipline, after the Indian Science Congress Association (founded in 1914). IEA organizes annual conferences, seminars, and lectures by eminent persons of the profession. It stands for promoting the interest of the discipline in terms of extension, expansion and professional competence in teaching, training, research, and consultancy. It promotes the interests of its members, but more than that the interest of the public, which is served when members sincerely devote their time and energy to raise their competence and deploy that competence when the occasion arises. IEA has so far organized 102 annual conferences in different parts of the country.

### **About National Webinar:**

The pandemic COVID-19 has brought unprecedented changes in economics and social aspect. As we have already acknowledged that India is a developing economy, it is stated as an economy passing through demand depression and high unemployment. The Indian economy will have to face some challenges. These include reverse migration of labour, Volatility and precipitous fall in financial markets and financing gap due to shrinking fiscal revenues. Liquidity crunch, disruptions in international trade and transport depletion of foreign exchange reserves, devaluation of their currencies, fall in export revenues due to export controls and contraction in global markets and restriction on Imports especially from China. So self reliant ness is a need of today.
