ABOUT THE SHORT TERM COURSE "RETT"

India is fast growing in the field of Technology. According to some reports, the revenue generated from Technological exports in the year 2012 was more than \$100 Billion! Thus Engineering offers great opportunities. 2018 will see a sharp rise in the number of opportunities available for talented professionals. Nowadays students must choose courses wisely. One must always choose courses that promise a job. These Technical Training courses are usually completed in less time. Further, it also help in future jobs.

*Five Day Short Term Course
Recent and Emerging
Trends in Technology
20-24 June, 2020*

WELCOME TO MOHAMMAD ALI JAUHAR UNIVERSITY

Mohammad Ali Jauhar University, Rampur was established in the year 2006 by an Act of State Legislature of Uttar Pradesh. It is approximately 12 km from

Rampur Railway Station. The University caters courses in various streams of Science, Humanities, Law, Education, Commerce, Engineering & Technology, Paramedical Sciences including Nursing, Mass Communication and Agriculture and is almost prepare to start a Medical College named as Jauhar Institute of Medical Sciences (JIMS). The University campus is spread over more than 250 acres and has vast lush green, health sustaining and beautiful landscapes. The bio-aesthetics is further enhanced with the presence of a very huge water body – a source of rich floral and faunal diversity. Ultra modern infrastructure designed by eminent architects is the signature of its beauty. The tranquil ambience of the premises creates the ideal environment for serious study.

Stress is also being given on physical fitness of the students and for this the University has paid adequate attention on promotion of sports on campus. A huge, well-equipped, hi-tech

gymnasium with indoor games facilities, viz. badminton, chess, carom, table tennis and outdoor games like football, hockey, cricket, lawn tennis, volleyball, horse riding etc. have been created. National and state level sport competitions are periodically organized by the University. Along with this a stadium with latest facilities is also underway on completion to promote sports with studies. The objective of the University is to mark excellence in its academic programs and sports. The University is committed to its social mission of making education possible to sons and daughters of persons of the down-trodden sections of the society and Muslim minority as well.
